

Conspiring Together

Galileo Christian Church (Disciples of Christ) • December 4, 2022

Our Mission

Galileo Church seeks and shelters spiritual refugees, rallies spiritual health for all who come, and fortifies every tender soul with strength to follow Jesus into a life of world-changing service. “Spiritual refugees” are any for whom church has become boring, irrelevant, exclusive, or painful; especially LGBTQ+ neighbors and those who love them.

Entering the Co-Conspiracy

As a Co-Conspirator with Galileo Church, will you commit to prioritize the church’s mission for one year from today?

Co-Conspirators: I will, with God’s help.

Will you demonstrate your commitment through these practices:

- contemplation of your baptism, past or future;
- presence, the best you can, at gatherings of the church;
- cultivation of spiritual gifts for the life of our church and community;
- sharing of material resources to further the church’s goals;
- extension of the church’s welcome to friends, neighbors, strangers, and enemies;
- gracious receipt of care from the church family; and
- participation in the church’s discernment for our next steps together?

Co-Conspirators: I will, with God’s help.
